MEMBERSHIP CATEGORIES

Sustaining Member

Definition: Full and active members who are focused on contributing to the club and their community to the best of their ability.

Dues: \$165 per quarter. Dues cover lunches, Rotary International and District dues, monthly magazine and Club administrative costs. Dues must be paid with 30 days of invoice to be a "member in good standing."

Considerations: A Sustaining Member in good standing is encouraged to make up meetings whenever possible. Reimbursement for up to two meetings per month will be reimbursed at \$8 per meeting but not exceeding the meal cost paid to the Rotary Club visited.

R85 Member

Definition: A long time sustaining member who is retired with a lifestyle that does not allow for full and active participation. The combination of age and years in the club add to at least 85.

Dues: \$40 per quarter. Dues cover Rotary International and District dues and monthly magazine. The R85 members will pay \$15 for each meal at meetings they are able to attend. Dues are paid with 30 days of invoice to be a "member in good standing."

Considerations: A R85 member is respected for their wisdom and history with the Club. They are encouraged to participate in fund raising and all activities as they choose.

Leave of Absence for Sustaining Member

Definition: Sustaining members currently in good standing may request a Leave of Absence when they are unable to attend Rotary meetings for an extended period of time due to circumstances beyond their control. Good standing means that the member is current in membership dues payments.

Some reasons for requesting a leave of absence:

- Unable to attend more than 50% of meetings in the quarter.
- Snow Bird during January through March.
- Business/job demands are temporarily excessive.
- Health challenges have surfaced.
- Personal reasons make it necessary to miss too many meetings.

Procedure: A written request stating reason for a LOA for one quarter should be requested prior to the quarter in which the LOA is requested. The LOA dues payment should be paid within 30 days of invoice. Subsequent LOA periods require this same process to be followed each quarter.

Dues: A member with an authorized LOA pay dues of \$50 per quarter. They are welcome to attend meetings but will be expected to pay for meals at the \$15 rate. Dues cover Rotary International and District dues, monthly magazine and Club operating costs. Pay dues within 30 days of invoice to be a "member of good standing."

Considerations: A member with an authorized LOA is welcome and encouraged to attend meetings when possible and participate in projects. Their return to full and active membership is the member's and Club's expectation.
