## Frank Traviglia Red Rose Award

**Background:**

In 1945, then District Governor Art Frazie of the Dowagiac, Michigan, USA, Rotary Club designed and promoted a "Service Above Self" recognition award called the Red Rose Award. The Red Rose Award continues to be a living personal service citation program, and our District is known as the Red Rose District.

The Delta-Waverly Rotary Club chose to name this award after one of our outstanding club members, Past President and Past District Governor Frank Traviglia. It praises outstanding achievement, giving recognition while the recipient is yet providing service. After the award is given at a Rotary meeting, the recipient's outstanding service is duly recorded, becoming part of a permanent file. Rotary members who follow may emulate the example in hope of making the community and world a better place in which to live.

**Eligibility:**

Any person who works or lives in within our Rotary District, **and is a non-Rotarian**, is eligible. Preference is given to people living and/or working in Delta Township. We are looking to recognize a non-Rotarian volunteer who has impacted Delta Township, making it a better place to live, and someone who exemplifies Rotary's motto of "Service Above Self."

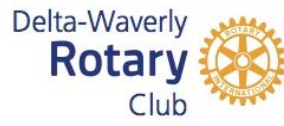

**Instructions:**

Please answer the following questions. If necessary, you may include additional pages. The total application should not exceed three pages. The ideal application is concise, right to the point, and provides strong documentation.
