Applications for Assistance are accepted throughout the year, but are only formally discussed at the Board of Directors' meeting in March and October. In order to be considered for approval, the application must be submitted at least by the month prior to the approval meeting. If there is a situation where funds are needed more quickly, please communicate the date and we will do our best to expedite the process.

After reviewing the application, the board will approve, reject, or send over to the DWRC Foundation Board of Directors if the criteria is a better fit for foundation fund grants as outlined on the web page <https://deltawaverlyrotaryclub.com/community-assistance-grants/>.

There may be a need for additional information. If so, a member of the Delta-Waverly Rotary Club will contact you to communicate what information is needed and how it should be provided.
