# 11th Annual Bob Knutson Delta-Waverly Rotary Charity Golf Classic

## Message from our Club President

As you are aware all 501C3 organizations have lost or have had to redefine fund raising strategies because of the pandemic covid 19. Our Rotary club depends on our annual golf outing to finically support the annual initiatives that pay for our philanthropic activities within Delta Township.

With that said golf is one of the few outdoor activities that can be planned to the guidelines of social distancing that has been recommended by our health professionals and supported by our Governor. Our event is totally designed to provide your safety for you and you guests, as well as for our nongolf volunteers.

Prepay by sending your check, or by visiting our web site PayPal option at <https://deltawaverlyrotaryclub.com> your one time entry fee of \$100.00 per individual or \$400.00 per team gives us the opportunity to discourage any gathering of groups. You and your guests could all win prizes based on skill, luck or both and no cash needs to be exchanged. To further show our sincerity for your safety your winnings will be mailed to you.

This means that you can show up at 11:00 am to register and head to the range with a shot gun start at noon that will allow you to come off the course at approximately 4:30 pm and head for your vehicle

In the event that we cancel this year's golf because of the Corona Virus spread, we will contact you to make arrangements to get your entry fee back to you.

Sincerely

Anthony Latunski  
Delta-Waverly Rotary Club President  
2020-2021
